

Today's moments, tomorrow's memories

Can you smell the apple pie?

Remember the feeling you get in the fall when the house is filled with delicious smells of Thanksgiving and all the family is gathered in the kitchen telling stories and laughing. Those memories are the ones we cherish.

Gillam Grant couldn't make memories without you!

"I got to spend the summer with my best friend at Day Camp."

"I remember shopping at the Kid's Store during Santa's Workshop!"

What are your memories?

For over forty years, Gillam Grant has been making memories for the community. Some memories happened on the sports field –soccer, baseball, basketball and softball. Could it be you bonded with a someone while you were sweating off the pounds in an exercise class? Or are your memories of your child's first friend they met in preschool? Maybe you have fond memories of a new friend you met on a trip or at a social dinner? **Please consider donating so we can continue to make memories.**

How many people do you know with memories?

I love the Gillam Grant Community Center!
And I can't imagine our community without it.

Four generations of my family have made wonderful memories at the Center. **There are so many times Gillam Grant has touched our lives and the lives of our neighbors.** On the soccer field, Day Camp, Social meals and Karate are just a few ways the Center creates memories.

One of my favorite memories

I was involved at Gillam Grant when Santa's Workshop was first started. I still remember each year seeing children's eyes filled with excitement anticipating the arrival of Santa Claus.

There is one Santa's Workshop that I will never forget. I was volunteering in the Kid's Store and my granddaughter saw me and said, "Don't peek Grandma, we are getting you a present." **I will not forget that moment.**

We can't do it without you!

Please consider investing in memories.
