

CARDBOARD CHALLENGE

WHAT IS THIS? *The Cardboard Challenge is an opportunity for kids to play and learn by using simple materials to build the things they imagine. The Cardboard Challenge lets kids explore their interests, creativity, and passions while learning skills like critical thinking, resourcefulness, perseverance and teamwork. This challenge brings communities together to celebrate creativity.*

WHAT IS THE INSPIRATION? *The centerpiece of the Cardboard Challenge is a design challenge based on the amazing story of Caine's Arcade, and promoted by the Imagination Foundation. For inspiration, watch the short films Caine's Arcade and Caine's Arcade 2 on the Internet.*

HOW DOES THIS WORK? *Register on-line at gillamgrant.org for any of the challenges offered, see the back side of this page. Kids will use all kinds of materials for each challenge. Scissors, tape, hot glue, glue, paint, embellishments from the maker space, cardboard, boxes, paper. We provide the materials, but they may also collect and bring items they want to use in their creation. They may work in groups or individually. The kids will learn a variety of cardboard attachment options to use while creating.*

Who can participate? *Registered kids in 3rd thru 6th grade may participate. They will ride the bus from BB School to Gillam Grant if it is on a school day. 2nd grade students will also be considered if they can work independently and can manipulate the tools and materials utilized. Parents should be aware that the participants will be using tools including hot glue guns, scissors, & cardboard cutters.*

KID ZONE *The Kid Zone Program may be available before and/or after Cardboard Challenge days depending on availability. If you need to drop off earlier or pick up later than the program time, this could be a great option for you. The additional cost is \$5 before or after. As you register for each challenge, you will be asked if you would like to add Kid Zone.*

THE BEST PART OF THE CARDBOARD
CHALLENGE IS HOW MUCH **FUN** IT IS!

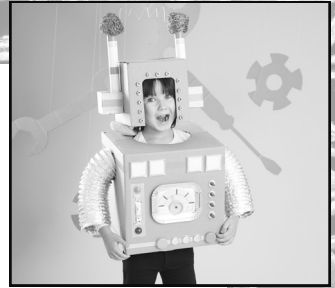

CARDBOARD CHALLENGE
